

MARFLEET GROUP PRACTICE

You are probably aware that the General Data Protection Regulation comes into force on the 25 May 2018. This means we now need permission from yourself as a patient for a third party i.e. wife/husband to request a backing slip to order repeat prescriptions and also for somebody other than yourself to collect prescription if you are not signed up with a pharmacy.

YOUR SURNAME

FIRST NAME

DOB

Please give the full name of anyone you wish to nominate to be able to do the above on your behalf.
